

Call for Contributions&Participation

Joint User Conference of Annual ACM/GI RG Berlin-Brandenburg & EU Network of the R2GS Clubs in Europe

„Schloß Steinhöfel Seminar (3S'14)“

14.-15. Mai 2014

Club R2GS

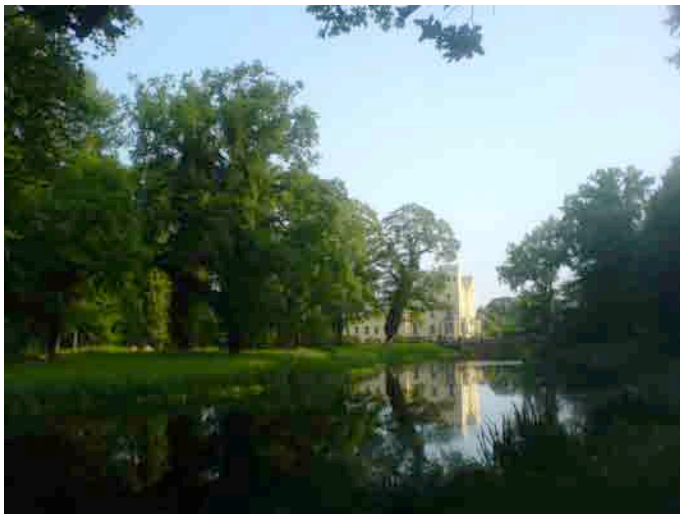

The „Schloß Steinhöfel Seminar 2014“ (3S'14) combines the User Assemblies of the 11th Annual GI/ACM Regional Group Berlin-Brandenburg (RG BB) with the EU Network of the R2GS User Clubs in Europe (LUX, UK, FR, DE, IT) devoted to issues of Cyber Security and Critical Systems (CRITIS).

Since the year 2014 has been announced by Governmental Administrations the year of the 'Digital Societies' this Call is devoted to Best Practices in Applying IT/TC Security Technology from point of view of all stakeholders anticipating Digital Society.

Security in the Digital Society must address methodological and technological issues of implementation, control, test and measurement, and prevention of attacks from all types of Critical Infrastructures (CRITIS).

Practitioners, Users, SOC/SIRT Operators and Applicants who consider to make a presentation shall address issues of appliances. In case, please send as an extended abstract (ca. < 3 pages) including titel, authors, primary affiliation, addressing:

- Daily practice of securely managing and operating CRITIS;
- Methodological approaches of Deciding on the Criticality of CRITIS Services and Behavior;
- Use Case Specifications by applying ETSI ISG ISI benchmarks of Security Indicators;

3S Issues in a nutshell – Cyber Defense:

eIDAS – electronic Identification & Trust Service

eGovernment & Secure Documents

Safe & Secure *Man-Machine* Interaktionen

Cyber Security & Defense Standardisation

Incident Prevention and Risk Analysis

Information Security Indicators and Countermeasures

Threat & Attack Landscape

IT/TC Security in Europe

BSI methodology to do CRITIS Analysis (AKIS)

Information Warfare & the Notion of Cyber Citizen

Rules for Participation:

The 3S'14 Meeting is designed to be a low budget Seminar. Thus the organizers like to expect from each participant to maintain this concept by providing with a fee of 50€/Person that includes participation on all Open Seminar Sessions, beverages and light lunches for 2 days!

Optionally you can book transportation from Airport B-Tegel, Wednesday Morning May 14, and back to Airport B-Tegel, Thursday Afternoon, May 15, for the cost of 30€.

The Guided Garten Tour & Schloß-Garten Dinner at night of Mai 14 will be made available to you for the cost of 40€!

All 3 options can be booked for the special price of 100€/person, before April 18(Easter Holidays) otherwise 120€/person!

For Chateau Overnights we hold a FCFS block reservation to the latest of March 29, 2014 (notice overnight cost are not included in participation fees)!

**Drafted Programme of the Schloß Steinhöfel Seminar 2014:
The Annual GI/ACM RG BB & EU Network Club R2GS Joint Meeting**

WEDNESDAY, May 14:

9:30 s.t. Meeting Point Arrival Airport Berlin-Tegel - Transportation to Chateau Steinhöfel

10:00 Registration & Welcome Coffee at Chateau Steinhöfel

10:30-12:20 Morning Session: R2GS Germany 'SoSo'

**Ralf Böker, BSI-Allianz für Cyber Sicherheit: Invited Presentation:
*'Digital Societies – Alliance for Cyber Security: Shelter of CRITIS'***

**Uwe Sievers, Journalist & Author, IT and Privacy-Social Media-Internet policies:
*Social Media – just a rich source of Cyber Crime or a store house for investigation?***

**Frank Klimesch, Freelancer:
Agile Development and Productive (Security) Tests – System Hardening, Functional Requirements**

**Jan deMeer, R2GS German Chapter Chair SoSo:
*Best Practice Evaluation of KRITIS based on the notion of system (in)stability***

12:30-13:20 Lunch Break

13:30-15:10 1st Afternoon Session: R2GS French Chapter

**Gerard Gaudin, R2GS French Chapter Chair, ETSI ISG ISI Standardization Group Chair:
*The Club R2GS European Network on Security Evaluation by using Information Security Indicators***

**Frederic Martinez, Alcatel-Lucent - Cyber Security Business Development:
*ETSI ISG ISI and ISO SC27 WG4 Liaison Current and Future Standardization Projects***

**Marc Leymonerie, Group CISO – Air France KLM:
*A Cyber Defense and Security Awareness whole Approach – How to Mobilize A Large International Company***

15:15 Coffee Break

15:30-17:00 2nd Afternoon Session: R2GS EU Chapters

**Ulrich Seldeslachts, Leaders in Security CEO - Advanced Cyber Defense Center ACDC Belgium:
*European Anti Botnet Pilot Action***

**Christophe Bianco, Excellium-Services General Manager - R2GS Luxembourg Chapter:
*Main Directions for Cyber Defense***

**Club R2GS Other Chapter Chair:
*The Cybersecurity situation in the concerned country***

**Guillaume Tessier, CEIS General Manager, FIC-Organizer <http://www.forum-fic.com/2014/fr/>
*The forthcoming 7th International Forum on Cyber Security (FIC 2015) Lille, France, January, 2015 –
Main Directions for a Unique European Event***

17:20-17:40 Conference Technical Chairs: Taking Conclusions at the End-of-the-Day

17:50-18:30 Break for guided Lenne's Garden Walk (http://en.wikipedia.org/wiki/Peter_Joseph_Lenne)

**19:00-22:00 Get-Together & Dinner Party of Schloß Steinhöfel-Seminar 2014 and open-ending Chimney Talks -
"Kamingespräche"**

**Drafted Programme of the Schloß Steinhöfel Seminar 2014:
The Annual GI/ACM RG BB & EU Network Club R2GS Joint Meeting**

THURSDAY, May 15:

8:45 Get-Together & Good-Morning Coffee

9:15-10:45 Gerard Gaudin, Club R2GS France:

Hands-on Workshop and Exchange

‘How to implement Indicators’ – Methodology, Use Cases, Stakeholders

‘How to stimulate Exchange among Experts from Industry, SME, Public Institutions

Organization: ‘Industrial Specification Group on Information Security Indicators’ (ETSI ISG ISI)

Issues: Considering Standardization Projects of ETSI & ISO/IEC JTC1 SC27 on ‘IT Security’

11:15-12:45 ETSI ISG ISI#17 (private) Meeting, chaired by Gerard Gaudin, Club R2GS France

12:45 Light Lunch & Farewell

**13:45 Meeting Point at Chateau and Transportation to Departure Airport Berlin-Tegel
(planned Arrival at Airport ca. 15:00 hours c.t.)**
